In RE: Moorish Haitian American
 Real Party in Interest (Jus Personam)
 RE: CHALONER SAINTILLUS
 Infant/Minor
 vs.
UNITED STATE OF AMERICA

STATUS And Jurisdiction
 In Personam (Personal
 Jurisdiction over The
 Proper STATUS)

Case #2:20-cr-00213 KJM

Before the allegations of any crime can be legally arraigned, Prosecuted or adjudicated The accused Must First be: 1) Properly Identified. 2) And The lawful Jurisdiction over that Person Must Be Met. In Propria Persona, sui Juris I am Moorish Haitian American. (Proper Status) - Hence The court have no Personal Jurisdiction over My Proper Status.

The Court/Prosecution Must prove It has the power over the Personage of the "Defendant" (Not "quasi in rem" Power over Property) We are not Talking about the case or Property etc... But The Proper and Precise Identification (True Identity) In Question.

I'm Challenging The Court owned STATUS/Jurisdiction of "Black". The status of "Black" was, is and evermore shall be designed to delude any human To Slavery. Its application simply has no other meaning. The Court/Government is hereby Demanded to Prove/Investigate, Must investigate The Authenticity of the Status In Question Before It can Proceed.

Conclusion

The Court hereby Demanded To Dismiss with extreme Prejudice. All US. Courts are bound To (First) Correctly Identify the Subjects, Be it the Plaintiff or Defendant (Status) and (secondly) They

Must/can only be heard (adjudicated) By a court with the proper Jurisdiction to deal with the level of the Identified.

"Any court, which lacks Personal Jurisdiction, is also a court without Power To issue an "In Personam" Judgement, (Pennoyer v. Meff, 95 US. 714, 24 Led. 565.)

* Lets Talk about "a number of" legal questions to the court "ECF No 74 (Page 2 Line 24-25 of The Government's opposition to Motion to Dismiss) AKA Lack of Personal Jurisdiction
